PMP course outlines	Primavera course outline	Template No
LESSON 1 - INITIATING A PROJECT		
A. Apply Project Management		
Processes .		
Projects.		
The Project Life Cycle .		
Project Management Processes .		
Inputs, Tools and Techniques, and		
Outputs .		
Project Management Process Group		
Interactions .		
Knowledge Areas .		
B. Create a Project Charter .	Setting Up the Enterprise Project Structure	
Project Charter Development .		Form 1
Project Stakeholders .	Setting Up the Organizational Breakdown Structure	Form 2
Project Selection Criteria .	County of the organizational Breakdown outdotted	Form 3
Project Selection Criteria . Project Selection Methods .		Form 4
Project Selection Methods . Project Selection Decision Models.		Form 5
C. Develop a Draft Project Scope	WBS	FOIIII 5
Statement .	WDS	
Draft Project Scope Statement		Form 6
Development.		1011110
Draft Project Scope Statement .		Form 7
Diant i Toject Ocope Statement .		1 01111 7
LESSON2-PLANNING		
PROJECTWORK		
A. Develop a Project Management		
Plan.		
Project Management Plan .		Form 8
Project Management Plan Tools and		
Techniques .		
B. Create a Scope Management Plan.		Form 9
Scope Planning .		
C. Create a Scope Statement.	Scope Statement	Form 10
Scope Definition.	Scope Definition	
Scope Definition Tools and Techniques		

Product Analysis.		Form 11
Alternatives Identification.		Form 12
Project Objectives .		Form 13
D. Develop a Work Breakdown	Reviewing Work Breakdown Structures	
Structure (WBS) .		
Work Breakdown Structure (WBS).	(WBS).	Form 14
WBS Tools and Techniques .		
Work Breakdown Structure Outputs.		
Code of Accounts .	Code of Accounts	
LESSON3-DEVELOPING PROJECT		
SCHEDULES, COST ESTIMATES,		
AND		
BUDGETS	Defining Budgets	Form 15
A. Create an Activity List .		Form 16
Activity .	Working with Activities	
Activity Definition .	Note and documents	
Activity Definition Tools and Techniques		
Activity Definition Outputs .		
B. Create a Project Network Diagram	Create a Project Network Diagram	
Activity Sequencing .	Activity Sequencing	
Activity Sequencing Tools and		
Techniques.		
Activity Sequencing Outputs .		
Activity Dependencies .	Relationships	
Precedence Relationships .	Relationships	
Precedence Relationship Types .	Relationship Types	
Lag.	Lag.	
Lead .	Lead	
Project Network Diagram .	Project Network Diagram	Form 17
Arrow Diagram Method (ADM).		Form 18
Precedence Diagramming Method		Form 19
(PDM) .		
Conditional Diagramming Method.		
C. Estimate Activity Resources.	Defining Resources and Roles	
Activity Resource Estimation.	Activity type	
Activity Resource Estimation Tools and		

Techniques.		
Activity Resource Estimation Outputs .		
Project Resources .	Resources	
D. Estimate Activity Durations .	Activity Durations Type	
Activity Duration Estimation .	Activity Durations Type	
Activity Duration Estimation Tools and		
Techniques .		
Activity Duration Estimation Outputs .		
E. Identify the Critical Path.	Identify the Critical Path	
Schedule Development .		
Schedule Development Tools .		
Schedule Development Techniques.		
Schedule Development Outputs.		
Schedule Network Analysis.	Schedule Network Analysis	
Schedule Network Analysis Methods .		
Standard Diagramming Notations .		
The Critical Path .	The Critical Path	
Float	Float. ES EF LS LF	
F. Develop a Project Schedule.		
Project Schedule .		
Schedule Management Plan.		
Schedule Formats .		
Schedule Compression.	Schedule Compression.	
Fast-Tracking.		
Crashing .	Crashing .	
Simulation .		
Simulation Types.		
Resource Leveling .	Resource Leveling .	
G. Estimate Project Costs .		
Cost Estimation.		
Cost Estimation Tools and Techniques .		
Cost Estimation Outputs .		
H. Establish a Cost Baseline.	Working with Cost Accounts and Project Expenses	
Cost Budgeting .	Performing Top-down Estimation	
Cost Budgeting Tools and Techniques.		
Cost Budgeting Outputs .		
Cost Baseline .	Cost Baseline	
Cost Assignment Methods .		
<u> </u>		

LESSON4-PLANNING		
PROJECTQUALITY, STAFFING, AND		
COMMUNICATIONS		
A. Create a Quality Management		
Plan.		
Quality Planning.		Form 20
		FOIII 20
Quality Planning Tools and Techniques		
Quality Planning Outputs .		
Quality.		
Cost of Quality .		
Checklists .		Form 21
Flowcharts.		Form 22
Benchmarking .		Form 23
Design of Experiments .		Form 24
B. Document Roles, Responsibilities,		
and Reporting Relationships .		
The Human Resource Planning Process		
Human Resource Planning Tools and		
Techniques .		
Human Resource Planning Outputs .		
Organizational Structures .		Form 25
Organizational Structure Types .		Form 26
Organization Charts .	OBS	Form 27
Project Interfaces .		Form 28
Responsibility Assignment Matrix (RAM)	Responsibility Assignment	
C. Acquire Project Team .		
Acquire Project Team .		
D. Create a Communications		Form 29
Management Plan .		
Communications Planning.		Form 30
Communications Planning Tools and		
Techniques .		
Communications Technology .	Communications and reports	
Communications Management Plan .		
Communications Requirements .		

LESSON5-ANALYZING RISKS AND	
PLANNING RISK RESPONSE	
A. Create a Risk Management Plan.	
Risk Management Planning .	Form 31
Risk Management Plan Inputs .	1 01111 31
Risk Management Plan .	
Risk .	
Risk Tolerance.	Form 32
Decision-Making and Categories .	Form 33
B. Identify Project Risks and Triggers	10111133
D. Identily i Toject Nisks and Triggers	
Risk Identification .	Form 34
Risk Identification Tools and	1011104
Techniques .	
Risk Categories.	
Information-Gathering Techniques .	Form 35
Risk Register .	7 0 00
C. Perform Qualitative Risk Analysis .	
Qualitative Risk Analysis .	Form 36
Qualitative Risk Analysis Tools and	
Techniques.	
Risk Data Quality Assessment .	
Probability Scales.	
Impact Scales.	
Probability/Impact Risk Rating Matrix .	Form 37
Project Risk Ranking .	
Qualitative Risk Analysis Outputs .	
D. Perform Quantitative Risk	
Analysis .	
Quantitative Risk Analysis .	Form 38
Quantitative Risk Analysis Tools and	
Techniques .	
Interviewing Methods .	
Probability Distribution.	Form 39
Quantitative Analysis Methods .	
Quantitative Risk Analysis Outputs.	
E. Develop a Risk Response Plan .	
Risk Response Planning .	Form 40
Risk Response Planning Techniques.	

Risk Avoidance. Risk Transference. Risk Mitigation. Positive Risk Strategies (Opportunities) Risk Acceptance. Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions. Perhiques for Planning Purchases and Acquisitions. Outputs of Planning Purchases and Acquisitions. Specifications. Specifications. Form 43 Make-or-Buy Analysis. Make-or-Buy Decisions. Contract Blanning. Contract Planning Tools and Techniques. Contract Planning Tools and Techniques. Contract Planning Outputs. Evaluation Criteria. Form 47 LESSON7-EXECUTING PROJECTWORK A. Project Plan Execution. Voyen Planning Companies. Earned value Form 49 System (PMIS) Porm 49 System (PMIS) Perform Quality Assurance.	Negative Risk Strategies (Threats) .		
Risk Transference . Risk Mitigation Positive Risk Strategies (Opportunities) . Risk Acceptance . Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT . A. Prepare a Contract Statement of Work . Plan Purchases and Acquisitions . Techniques for Planning Purchases and Acquisitions . Techniques for Planning Purchases and Acquisitions . Specifications. Specifications. Specifications. Make-or-Buy Analysis. Form 43 Make-or-Buy Decisions . Contracts . S. Prepare a Procurement Document . Contract Planning Tools and Techniques . Contract Planning Outputs . Evaluation Criteria . Evaluation Criteria . Form 47 LESSON7-EXECUTING PROJECT NAMA Project Plan Execution . Manage Project Plan Execution . Manage Project Plan Execution . Project Management Information System (PMIS) . Earned value Form 49 System (PMIS) . Perform Quality Assurance .			
Risk Mitigation. Positive Risk Strategies (Opportunities) Risk Acceptance . Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Outputs of Planning Purchases and Acquisitions. Specifications. Specifications. Form 43 Make-or-Buy Analysis. Form 44 Make-or-Buy Decisions . Contract Statement Document B. Prepare a Procurement Document Contract Planning College . Contract Planning College . Contract Planning College . Contract Planning Outputs . Evaluation Criteria . Form 47 LESSON7-EXECUTING PROJECTWORK A. Project Plan Execution . Manage Project Plan Execution . Project Management Information System (PMIS) . Work Performance Information . Earned value . Form 50			
Positive Risk Strategies (Opportunities) Risk Acceptance . Risk Acceptance . Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work . Plan Purchases and Acquisitions . Techniques for Planning Purchases and Acquisitions . Outputs of Planning Purchases and Acquisitions . Outputs of Planning Purchases and Acquisitions . Form 43 Make-or-Buy Analysis . Make-or-Buy Decisions . Contracts . B. Prepare a Procurement Document . Contract Planning . Contract Planning Tools and Techniques . Contract Planning Outputs . Evaluation Criteria . Form 45 LESSON7-EXECUTING PROJECT PROM 45 PROJECTWORK A. Project Plan Execution . Manage Project Plan Execution . Project Management Information System (PMIS) . Work Performance Information Earned value Form 50 B. Perform Quality Assurance .			
Risk Acceptance . Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions . Techniques for Planning Purchases and Acquisitions . Outputs of Planning Purchases and Acquisitions . Specifications . Specifications . Specifications . Form 43 Make-or-Buy Analysis. Make-or-Buy Decisions . Contract . B. Prepare a Procurement Document . Contract Planning Tools and Techniques . Contract Planning Outputs . Evaluation Criteria . Form 47 LESSON7-EXECUTING PROJECT Plan Execution . Manage Project Plan Execution . Work Performance Information . System (PMIS) . Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .			
Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Specifications. Specifications. Specifications. Form 43 Make-or-Buy Analysis. Form 44 Make-or-Buy Decisions. Contracts. B. Prepare a Procurement Document Contract Planning Contract Planning Tools and Techniques. Contract Planning Outputs. Evaluation Criteria . LESSON7-EXECUTING PROJECTWORK A. Project Plan Execution . Wighter the Management Information System (PMIS). Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .			
Risk Response Planning Outputs. LESSON6-PLANNING PROJECT PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Specifications. Specifications. Specifications. Form 43 Make-or-Buy Analysis. Form 44 Make-or-Buy Decisions. Contracts. B. Prepare a Procurement Document Contract Planning Contract Planning Tools and Techniques. Contract Planning Outputs. Evaluation Criteria . LESSON7-EXECUTING PROJECTWORK A. Project Plan Execution . Wighter the Management Information System (PMIS). Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .	Risk Acceptance .		
PROCUREMENT A. Prepare a Contract Statement of Work. Plan Purchases and Acquisitions. Techniques for Planning Purchases and Acquisitions. Outputs of Planning Purchases and Acquisitions. Specifications. Specifications. Specifications. Form 43 Make-or-Buy Analysis. Make-or-Buy Decisions . Contracts . Sprepare a Procurement Document . Contract Planning . Contract Planning Tools and Techniques . Contract Planning Outputs . Evaluation Criteria . Form 47 LESSON7-EXECUTING PROJECTWORK A. Project Plan Execution . Manage Project Plan Execution . B. Perform Quality Assurance .

Project Management Information System (PMIS). Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .			Form 48
System (PMIS) . Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .		Farned value	
Work Performance Information . Earned value Form 50 B. Perform Quality Assurance .			1 01111 40
B. Perform Quality Assurance .		Earned value	Form 50
Quality / local across	Quality Assurance .		Form 51

Quality Audits .		
C. Develop the Project Team .	Roles and responsibility	Form 52
Team Development .		
Team-Building Activities .		
Reward and Recognition System .		
Collocation.		
Training .		
Conflict Management Approaches .		
D. Distribute Project Information.		Form 53
Information Distribution.		
E. Request Seller Responses .		Form 54
Request Seller Responses .		
F. Select Sellers .		Form 55
Select Sellers .		
Weighting System.		
Contract Negotiation .		
Contract.		
LESSON8-MONITORING AND		
CONTROLLING PROJECTWORK		
A. Control and Monitor Project Work.		
Control and Monitor Project Work .	Earned value	
Inputs for Controlling and Monitoring		
Project Work .		
Tools and Techniques for Control and		
Monitor Project Work .		
Outputs from Controlling Project Work .		
B. Manage Changes to Performance		
Baselines.		
Integrated Change Control .		
Integrated Change Control Inputs .		
Integrated Change Control Tools and Techniques.		
Change Control System .		Form 56
Configuration Management .		Form 57
C. Review Deliverables and Work		FOIIII 57
Results .		
Scope Verification .		Form 58
Scope Verification Inputs .		

Inspection .		
D. Control Project Scope .		
Scope Control .		Form 59
Scope Control Inputs.		
Scope Control Tools and Techniques .		
Scope Control Outputs .		
LESSON9-MONITORING AND		
CONTROLLING PROJECT		
SCHEDULES AND		
COSTS		
A. Control the Project Schedule .		
Schedule Control.	Earned value	Form 60
Schedule Control Inputs .		
Schedule Control Tools and Techniques		
	<u> </u>	
Earned Value Management (EVM).	Earned value	
Schedule Performance Measurement.	F I al .	
Schedule Variance .	Earned value	
Schedule Performance Index (SPI) .		
B. Control Project Costs .	Famedoules	
Cost Control .	Earned value	
Cost Control Inputs . Cost Control Tools and Techniques .		
Cost Control Tools and Techniques .		
Cost Variance (CV) .	Earned value	
Cost Variance (CV) . Cost Performance Index (CPI) .	Earned value	
Estimate at Completion (EAC) .	Earned value	
Estimate at Completion (EAC).	Earned value	
LESSON10-MONITORING AND		
CONTROLLING PROJECTQUALITY,		
STAFFING, AND COMMUNICATIONS		
A. Perform Quality Control .		
Perform Quality Control .		Form 61
Quality Control Inputs .		
Causes of Variance .		
Tolerances .		
Control Charts .		Form 62
Pareto Diagrams .		Form 63

Statistical Sampling .		
B. Manage Project Team.		
Project Team Management.		Form 64
Inputs for Managing a Project Team .		
Tools and Techniques for Managing a		
Project Team .		
Outputs of Managing a Project Team .		
C. Report Project Performance.	Printing Layouts and Reports	
Performance Reporting .	Printing Layouts and Reports	
Performance Reporting Inputs.	·	
Performance Reporting Tools and		
Techniques .		
Performance Reporting Outputs .		
D. Manage Stakeholders .		
Stakeholder Management.		Form 65
Inputs for Managing Stakeholders .		
Tools and Techniques to Manage		
Stakeholders .		
Outputs of Managing Stakeholders .		
LESSON11-MONITORING AND		
CONTROLLING PROJECT RISK AND		
CONTRACTS		
A. Monitor and Control Project Risk.		
Risk Monitoring and Control.		Form 66
Risk Monitoring and Control Inputs.		
Risk Monitoring and Control Tools and		
Techniques .		
Risk Monitoring and Control Outputs.		
Project Risk Response Audit .		
B. Administer a Contract .		
Contract Administration.		Form 67
Contract Administration Inputs .		
Contract Administration Tools and		
Techniques .		
Contract Administration Outputs.		
Role of the Contract Administrator .		
Contract Change Requests .		Form 68

LESSON12-CLOSING THE PROJECT	
A. Close a Project.	Form 69
Project Closure .	
Project Closure Tools and Techniques .	
Project Closure Outputs .	
Administrative Closure .	
B. Close a Contract .	Form 70
Contract Closure .	
Contract Closure Inputs .	
Contract Closure Tools .	
Contract Closure Outputs.	
Procurement Audit
